Altar Table with Doors and Drawers

ASSEMBLY INSTRUCTIONS | Steps 1-6

01 Insert the wood dowels

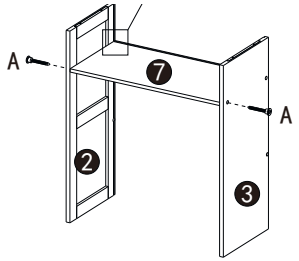

Insert four wood dowels 19 into the holes in top panel 5.
IMPORTANT: Place foam or other protective padding under top panel 5 to prevent scratches.

02 Attach the door catch

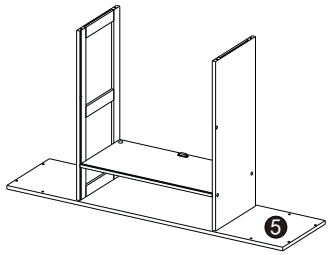

Attach door catch 17 to shelf 7 using screws C.

03 Attach the inner frames

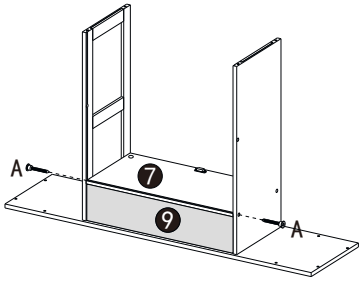

Attach shelf 7 to left support frame 2 and right support frame 3 using screws A. Tighten only the two front screws.
IMPORTANT: Align the grooves in shelf 7 and frames 2 and 3 on the same side. Do not install the two rear screws yet.

04 Fit the frames onto the dowels

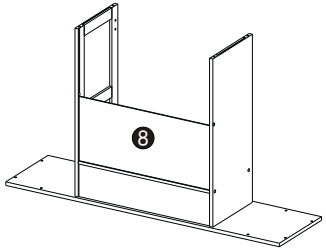

Fit support frames 2 and 3 onto the wood dowels in top panel 5.

05 Fit the small back panel

Lift the rear edge of shelf 7. Slide small back panel 9 into the grooves in the support frames and shelf 7. Once seated, install and tighten the two rear screws A.

06 Insert the first large back panel

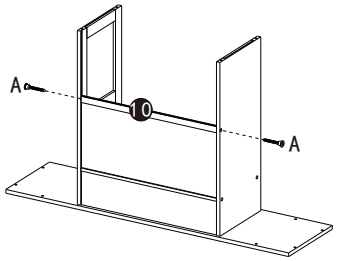

Slide one large back panel 8 into the grooves as shown.

ASSEMBLY INSTRUCTIONS | Steps 7-12

07 Attach the double-groove strip

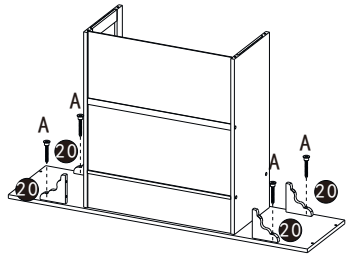

Attach double-groove strip 10 using screws A, as shown.

08 Insert the second large back panel

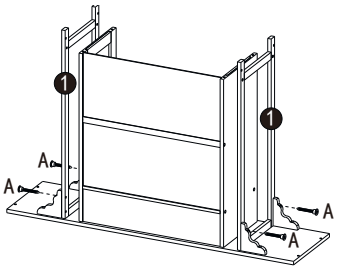

Slide the second large back panel 8 into the grooves as shown.

09 Attach the corner brackets

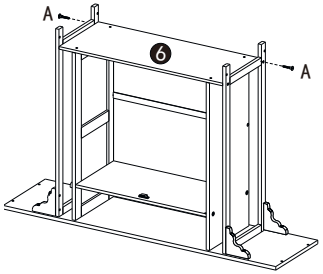

Attach four corner brackets 20 to top panel 5 using screws A.

10 Attach the outer frames

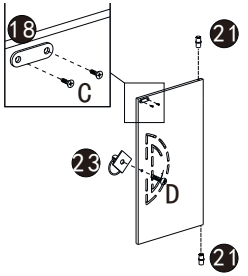

Attach the two support frames 1 to the four corner brackets 20 using screws A.

11 Attach the bottom panel

Turn the assembly around to access the opposite side. Attach bottom panel 6 to the support frames using screws A.
IMPORTANT: Install and tighten only two screws at this stage. Leave the remaining screws out until the doors are in place.

12 Prepare both doors

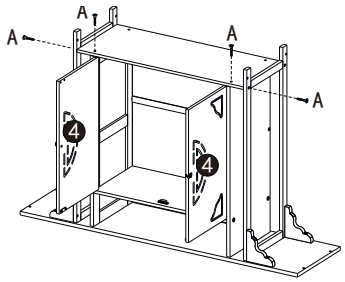

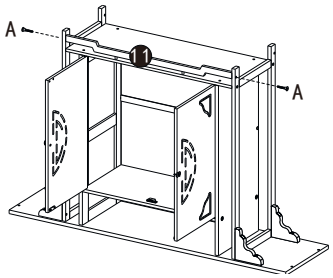

Attach door handle 23 to door 4 using screw D. Attach metal plate 18 using screws C, then insert door pivot pins 21 into the top and bottom of the door. Repeat for the second door.
IMPORTANT: Tighten the screws to secure the handles. Do not twist the pull rings.
